### VINIFICATION

The grapes are machine harvested and allowed to macerate in order to extract its pink color. The wine is re-fermented in pressurized tanks following the Charmat method, with an extensive period of contact with its lees to obtain extremely fine bubbles and a rich bouquet.

### COLOR

A brilliant pink with purplish reflections.

### BOUQUET

Fresh and fragrant with hints of red currant, raspberry and toasted notes.

### PALATE

Refreshing with good structure and finesse. Raspberry and cherry notes lead to a clean finish.

### FOOD PAIRINGS

Excellent as an aperitif with celebrations or with light dishes.
